EXECUTIVE DIRECTOR LUCKY 13: THE ANNUAL CLC DIY FEST CELEBRATES 13 YEARS!

It's our 13th Festival, and Craft Lake City can't help but feel lucky that this monumental anniversary lands on Friday the 13th! We're so excited to celebrate 13 years of the largest local-centric, three-day arts festival with you!

We're kicking off the festivities on Friday with our revamped Harmons VIP Lounge featuring local food purveyors, craft cocktails and a 7 p.m. autograph session with Jack Rutter of Utah's own Ritt Momney who headlines Friday night on the SLUG Mag Stage!

We'll continue the celebration with our exclusive, Saturday-only programming partner, Pasifika Enriching Arts of Utah (PEAU). Utah is known for its large population of Pacific Islanders, representing over a dozen islander nations in our state alone. In 2012, Utah's governor declared August "Utah Pacific Island Heritage Month." Craft Lake City is proud to celebrate "Pacific Island Heritage Day" at this year's Festival by featuring food, performances and talented local artisans from these communities. Also on Saturday, two dozen youth entrepreneurs aged 14 and younger sell their handmade items in Kid Row from 10 a.m.-2 p.m.

Sunday is the third and final day of our lucky 13 CLC DIY Fest! We'll enjoy our time together celebrating Utah's creative community with performers on two stages, over 300 local artisans, the Google Fiber STEM Building, Mark Miller Subaru's Leave Your Mark Park Kids' Area, Best Friends Save Them All Dog Park, Harmons VIP Lounge, workshops, local food trucks and more!

Thank you for attending this year's 13th Annual Craft Lake City DIY Festival Presented By Harmons. We are so grateful for your support. Cheers to another 13 years together!

We are Builders. We are Dreamers. We are Craft Lake City.

HARMONS WORD OF WELCOME

Welcome to Craft Lake City's 13th Annual DIY Festival.

One of the biggest lessons we have learned through the past year of virtual interaction and social distancing is just how powerful the energy of community can be, and how much it is missed when we aren't able to come together and share an experience in one place. We're so glad that has changed, and we are thrilled to welcome you back in person to the 13th Annual Craft Lake City DIY Festival. It's so nice to see you again!

At Harmons, our local story dates back to 1932 when my grandparents opened their first fruit stand, the Market Spot, with a dream of providing the community with fresh produce and a place to gather and connect. We're proud to have been able to grow right along with the communities we serve as we've adapted to the needs and interests of our customers. This spirit of independence, connection, and adaptability is very much alive at this weekend's festival. Can you feel the buzz?

Throughout the festival, you'll meet artisans, discover craftspeople, and hear a wealth of origin stories from industrious builders and creatives who are eager to teach and share their passion. We think you won't find better company than that you'll meet here at Craft Lake City's DIY Festival. We invite you to take the time to explore, ask questions, and support the work they are doing.
