## We Move You to Summer Fun

[rideuta.com](http://rideuta.com)

### A WELCOME LETTER FROM THE **SALT LAKE CITY MAYOR** ERIN MENDENHALL

Dear Salt Lakers & Visitors,

Welcome to the 15th Annual Craft Lake City  
DIY Festival!

Our City and State of Utah are without a doubt full of creative and innovative ideas. It's a hallmark we're incredibly proud of and want to continue to see from each of you!

It's been exciting to watch the growth of DIY Fest over the past 15 years into one of our state's largest local-centric arts, music, science, and technology festivals – right here in Salt Lake City at the Utah State Fairpark. That growth means more of you are nurturing your talents, as well as supporting local neighbors' small business ideas. Thank you for championing our local makers.

These creators, artisans, innovators, entrepreneurs, and engineers are an important part of our culture. Their small businesses are our economy's lifeblood—92% of Salt Lake City's 17,000 businesses are small and locally owned. They will inspire you; they inspire me.

My hope is that you'll harness creative inspiration from the festival to serve other areas of your life. Maybe that's your neighborhood, one of our many communities, youth, the local environment, or your workplace. Turn this spirit into a true celebration of all-things local, year-round!

Salt Lake City Mayor Erin Mendenhall,
