A MESSAGE FROM CRAFT LAKE CITY'S

EXECUTIVE DIRECTOR — ANGELA H. BROWN —

Welcome to the 16th Annual Craft Lake City DIY (Do-It-Yourself) Festival Presented By Harmons!

It's our 16th year of producing Utah's largest local-centric arts, music, science and technology festival! With over 500 local participants across the artisan, vintage, youth entrepreneur, STEM, performer and food categories, we'll host 20,000 attendees over the next three days. We're excited to share it with you today!

Whether it's your first time here or if you're a seasoned DIY Fest Veteran, the DIY Fest offers something new to be experienced by all. Each year the Craft Lake City team works tirelessly to bring together Utah's best creators, crafters, makers, artisans, youth entrepreneurs, performers, science & tech enthusiasts, foodies, craft brewers & distillers! It's our intention for you to return home safely with bellies full, minds racing with imagination and your spirits inspired to find your own creative outlet. Who knows? It just may be the impetus for submitting your own application to exhibit or perform at next year's Annual DIY Festival!

Utah's creative community is thriving and we're happy to be part of it. Afterall, Craft Lake City's mission is to educate, promote and inspire local artisans while elevating the creative culture of the Utah arts community through science, technology and art. We accomplish this mission through educational programming which includes our year-round artisan workshops and STEM programs, art and culture curatorial projects, exhibitions, event outreach, the Annual Craft Lake City Holiday Market, the Annual LetterWest Conference (new for 2024) and through our largest program of the year, the one you are attending today, The Annual Craft Lake City DIY Festival Presented By Harmons.

In 2023, Craft Lake served over 900,000 individuals and 1,300 creatives through our various programs and initiatives. As our 17th year draws near, we continually look toward the future. We are growing our reach within the Utah arts and culture community by continually seeking creative opportunities to engage new audiences. Do you have an idea for a Craft Lake City collaboration? We'd love to hear about it! Thank you for your support. Without you, we could not do what we do.

We are builders. We are dreamers. We are Craft Lake City.

Best,

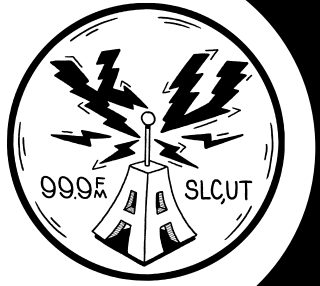

Angela H. Brown

A WELCOME LETTER FROM THE
SALT LAKE CITY MAYOR
ERIN MENDENHALL

Dear Salt Lakers and Visitors,

I am excited to welcome you to the 2024 Craft Lake City DIY Festival, a much-loved tradition in our community where local artists, creators, engineers, and other talented hands share their creativity, homemade projects, and more!

For more than 15 years, the DIY Fest has inspired members of our community to embody ingenuity and explore the beauty of music, science, art, and technology. This three-day event is more than a celebration of local genius and creativity, it's an interactive event for everyone to enjoy.

Whether you're a parent taking your child to discover a hands-on science demo, a resident eager to find a uniquely crafted treasure, or an artist excited to share your beautiful creation with others, the Craft Lake City DIY Festival is the place for you.

In Salt Lake City, we are proud of our local makers and will continue to champion their work and dreams because it's a critical part of building opportunity and connection within our community.

Thank you for supporting one another, driving inspiration, and welcoming new ideas and visions at the DIY Fest. Let's keep celebrating all year long!

Sincerely,

Erin Mendenhall

WELCOME TO CRAFT LAKE CITY'S 16TH ANNUAL DIY FESTIVAL

Dear Friends and Neighbors,

We are excited to join you once again as sponsor for the Craft Lake City DIY Festival. Each year, this event serves as a celebration of creativity, community, and the spirit of Utah's artisans. It's a privilege to be part of such a dynamic event where dreams and crafts come to life.

At Harmons, our journey began in 1932 with my grandparents' fruit stand, the Market Spot. Their vision was to provide fresh produce and foster a sense of community. Today, we continue this legacy, supporting local farmers, artisans, and creators who bring unique, high-quality products to our shelves and your homes.

We understand that getting started as an artisan and craftsperson requires a level of passion and commitment that is rare. This weekend, we celebrate not only the crafts and creations but also the stories behind them. As you explore the festival, take the time to meet the artisans, listen to their journeys, and discover the passion that fuels their work. These stories are the heartbeat of our community and align with our own origins and values.

Thank you for being here and for supporting local creativity and craftsmanship. Your presence makes a difference, and together, we continue to strengthen our community. I extend my heartfelt thanks to Craft Lake City for welcoming us as a sponsor once again.

Enjoy the festival, be inspired, and take home a piece of Utah's creative spirit.

With Gratitude,

Bob Harmon
